Dear Beth Ann
We had a ball in

that stuff. Mike Callan
see you next year

This yearbook is just that—a history of the year's events at South Eugene High. Through its pages weaves the thread of companionship and good times enjoyed by the 1,850 students who live and work together five days a week for three-quarters of the year.

The type of education one gets at South Eugene High is a preparation for living in tomorrow's world . . . learning is not limited to the classroom, but extends into the many activities which are part of today's education . . . clubs organized for all interests . . . band concerts . . . dramatic productions . . . athletics unlimited . . . student government meetings . . . the spirit of co-operation is strong when aided by the friendly conferences which take place daily between administrators and students.

Here too are the annual events . . . sophomores painting the "E" . . . pep assemblies for important football and basketball games . . . the Christmas assembly . . . Print and Cord Week . . . scholarships and awards . . . all through the lively last week of school, with its seemingly endless confusion . . . finally, the end of another year, bringing promise of fun along with the summer's work for high-spirited students.

Here, with a cast of nearly 2000, is the extravaganza that is SEHS—an endless circus of activity with the students and those who help them learn.

1958

The main purpose of any school is, of course, to provide the best possible education for its students. Our well-trained faculty and alert, informed administration are always working toward this end. Their years of experience in dealing with the personalities and problems of students help them in making decisions and establishing policies which affect the 1,850 students who spend seven hours a day, five days a week here.

South Eugene High is a great school, made so by everyone who learns, teaches, or supervises here. It is unto them that the 1958 Eugenean is dedicated.

Dean Mickelwait

Every morning at 7:30, a 1949 Buick drives into the parking lot. A tall, friendly looking man gets out and walks into the building. This is our leading administrator, Mr. Mickelwait. Mr. Mickelwait is liked and respected by students for his positive actions and friendly attitudes.

A new face in the administration is our vice-principal, Mr. Warner. He was known to us before as a social problems teacher, sophomore football coach, and junior class counselor. SEHS is happy to welcome and fortunate to have Mr. Warner as vice-principal.

Nina Kitts

As our dean of girls, we have Miss Kitts. A unique note in Miss Kitts' life is that she was once queen of the Portland Rose Festival. Girls know her as a friendly woman who goes out of her way to help them.

Genial Mr. Potter is our dean of boys. Known for his sense of humor, but sincere attitude, he is in charge of the male section of this student body. Although primarily concerned with senior boys, Mr. Potter always has his door open to juniors and sophomores.

Student Government

The hard task of student body president was ably filled by Gary Wolfe, who made headway in eliminating the friction between the administration and the student body.

Gary Wolfe, President

**Larry Hiron
Vice President**

With athletics and the office of student body vice-president, Larry was a very busy man all year round.

**Jane Che'n
Secretary**

Besides having been active in many outside activities, Jane held the coveted office of student body secretary at South Eugene High School.

Don Erwin

Sandy Cook

There are several officers in South Eugene High that rarely receive credit for the hard work they do. These officers are as follows: Ron Rubenstein and Pete Geertsen, auditors; Millie Ford and Barbara Reed, treasurers; Sandra Cook, historian; and Don Erwin, student body manager.

The auditors keep a complete record of all the business transacted by the school. They are allowed one period each day to do this work.

The treasurers keep a record of all in-school transactions. They record the money in each club treasury and other things of a similar nature.

The job of historian is to keep a clear and concise record of all the happenings at this school during the year.

The student body manager is in charge of pep assemblies, rallies, and other similar affairs.

Budget and Finance Committee

Being a large high school, we have a large treasury. This committee plans our budget, pays bills and balances the books. It is doing a fine job on a time-consuming task.

Assembly Committee →

The purpose of the Assembly Committee is to plan the assemblies for the year. As one can see by the fine assemblies this year, they are doing a great job.

Girls' League

The Girls' League is composed of all the girls in the school. It is headed by a cabinet which is chosen by the elected president. Our Girls' League president for the school year 1957-1958 was Barbara Morgan. She fulfilled the duties of her office with skill, and through extreme cooperation she was able to make the year entirely profitable.

With many new projects and leaders full of vim, vigor, and vitality, the Girls' League prospered.

Girls of the Month

At the end of each month during the school year, a special award is presented to a girl with a background of outstanding service for the month. The girl of the month is actually chosen by a special committee and is kept secret until the award is presented. At the time of the announcement she is presented with a special pin and a corsage. This award is coveted by every girl in the school and is the ultimate goal to be reached for recognition in the Girls' League service.

Axemen's Council

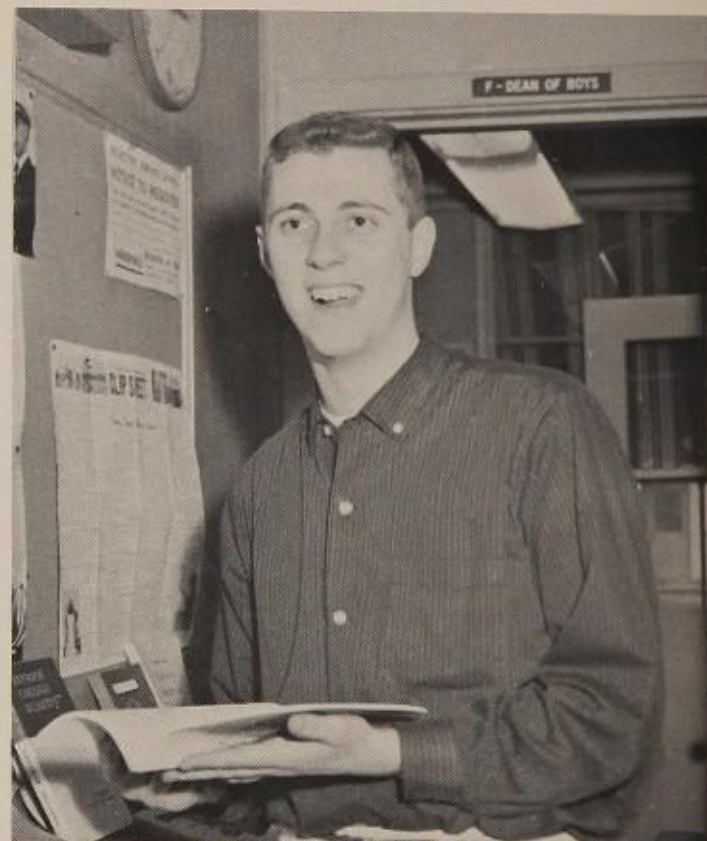

The Axemen's Council, another of the leading organizations in the school, is comprised of representatives of all the boys in the school. A cabinet is appointed by the president, while the representatives are elected out of each second period class.

Each year the Axemen's Council publishes a student-faculty telephone book. This book, called the "Axehandle", has a very large circulation, for almost everyone in the school buys a copy of this publication.

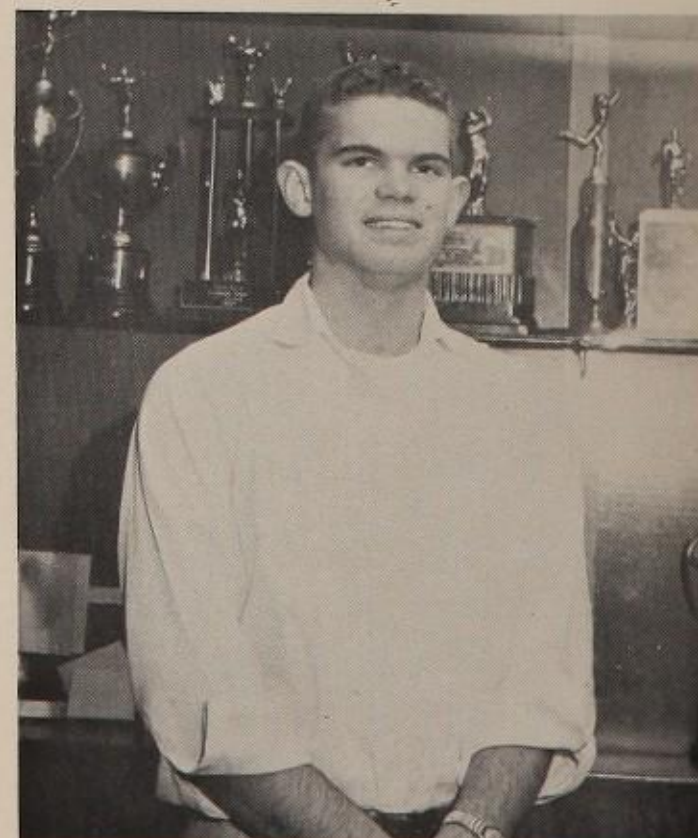

Axemen's Council has many other activities during the year. Some of them are the annual Father and Son Banquet, Hello Week, and Be-Up Clean-Up Week.

EUGENEAN STAFF

Martha Blackburn—EDITOR

The EUGENEAN staff is a group of dedicated people who work very hard to produce an annual each year.

Each person on the staff has a different job. The biggest job on the annual staff is that of editor-in-chief, who this year is Martha Blackburn. Another time-consuming position is that of the copy editor, Steve Hintz. This year the annual is divided into different sections. The section leaders are Lani Burcham, Sandra Hemmingsen, Linda Owen, Dianne Kovtynovich, Susan Lynes and Linda Myrmo.

The people of the EUGENEAN not only do a great service to their school, but they also learn to work with each other in producing this annual.

As school begins each year, every student in EHS is given a handbook. This book gives vital information to both the incoming sophomores and the returning upper classmen.

The handbook is the efforts of many people. The hardest job on the book was naturally the job of editor. This job was given to Jay Jackson and Gloria Johnson. Since this book has to be done by the beginning of the year, the staff had to give many days of their summer time to complete it.

An interesting effect was the addition of Peanuts. (The comic strip character) to the handbook.

Every other Friday South Eugene High is blessed with undoubtedly the best paper a student body could ever desire. That paper does a great service for the students. It tells students about things that are going to happen, it tells what has already happened, and it puts the student body in a jovial mood because they read James Arthur Starkweather, Jr's. (Raving mad) joke (?) column.

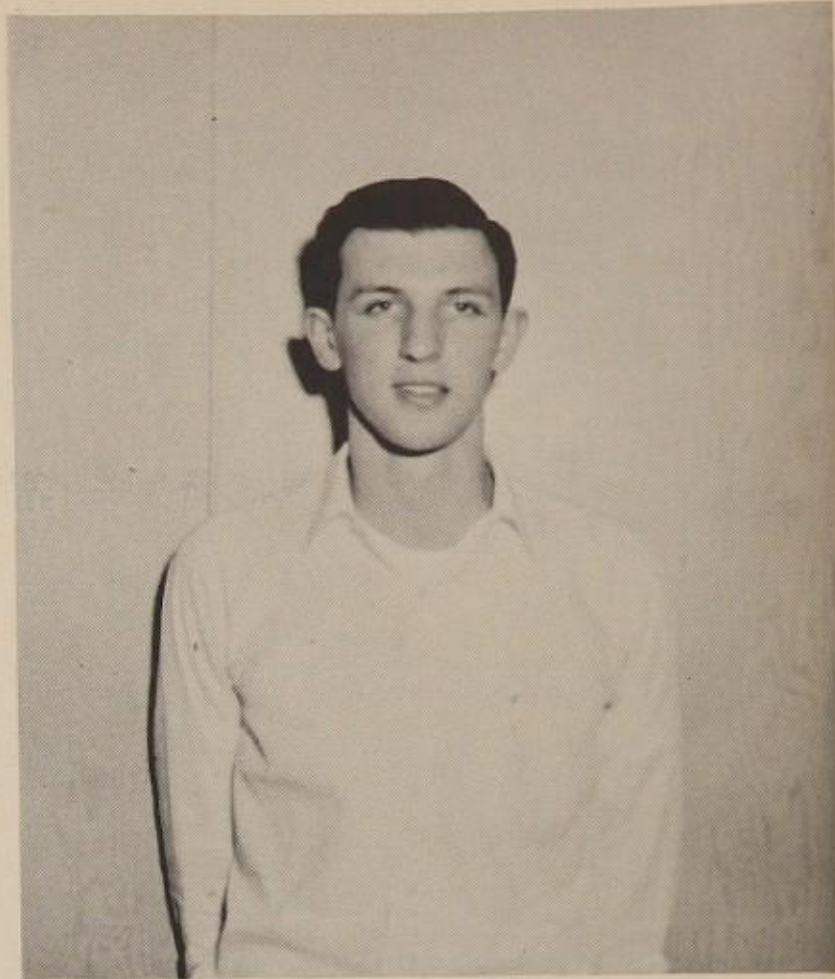

The "Axe" has a very devoted staff led by the power of the editorial world, Fuzzy Wood. The "Axe" also has a very wonderful associate editor, Keith Johnson. This paper has many capable staff members. Probably the greatest reporter that has ever lived has graciously consented to write for this illustrious paper. His great master of the pen is Ray Allen.

This paper does a great service to the school and everyone involved should be congratulated on the very fine job they have done this year.

CLASS OF 1958

Class Motto . . . "Be wise to resolve and patient to perform"

Class Colors . . . Bright watermelon and fuschia

Class Flower . . . Ester Reed daisy

At last, after three interesting years at Eugene High, the class of '58 is ready to move on to college careers and other forms of higher life. These seniors will cherish this year in memories for the rest of their lives.

The Class of '58 stood as leaders in athletics, activities and academics. The football and basketball teams, lead by the seniors, came so close to state glory only to have their

hopes killed by Springfield. The senior class president, Greg Willener, received all-American mention. Traditionally the seniors are prominent in activities. Providing the backbone, the seniors made many activities great successes. Academically, the Class of '58 ranked high, with four seniors gaining National Merit Test Finals. Several others received good scholarships. This was a year to remember.

The senior rally squad is really on the job.

Class of 1959

It has been stated that one's junior year in high school is the beginning of a new era of activity. Age, cars, (and a more prominent position in school) all have influenced the Class of '59, the largest class in the history of Eugene High School.

Guided by their president, Steve Hintz, the junior class began the year with a highly successful car wash that boosted the sagging treasury. Many wonderful hours were spent by a jolly crew in constructing a float for the Homecoming parade. The prom, "Stairway to the Stars," was the major class project. Everyone who wished to help was used and the prom was wonderful. On the more serious side, a memorial award was established in remembrance of Terry Payne. Mrs. Berreman and Mr. Goode, the junior class advisors, have been a great help to the class.

The juniors in the Class of '59 are now ready to assume their role as mighty seniors.

Class of 1960

The sophomores have finally emerged from their green-colored cocoon to take their place with the upperclassmen. It took time, but bathed in the light shed by upperclassmen, they were transformed from lowly sophomores to big juniors. The "greenies," under the capable leadership of their officers who were: Sandy Nosler, president; A. D. Jacobson, vice president; Sanny Rubenstein, secretary; and Barbara Coster, treasurer, and their advisors, Mr. Small and Miss West; sold Airwick for Teens Against Polio, in which they came in third, a traditional trait of the sophomores. They gave an inspiring Thanksgiving assembly. The sophs did a very unsatisfactory job in painting the "E" because they sat down on the job. The sophs turned up with a girls' bicycle for the Hello Week bicycle race, and believe it or not, they placed, third.

In addition to scholastic activities there are many social events throughout the year. Student committees usually plan these, and volunteers are often signed up to help them.

Sports are important at any school, and South Eugene High is no exception. At almost any time of the year there is some sport being played at SEHS. Hard-working boys turn out for practice every day and receive instruction from our many fine coaches.

EVENTS

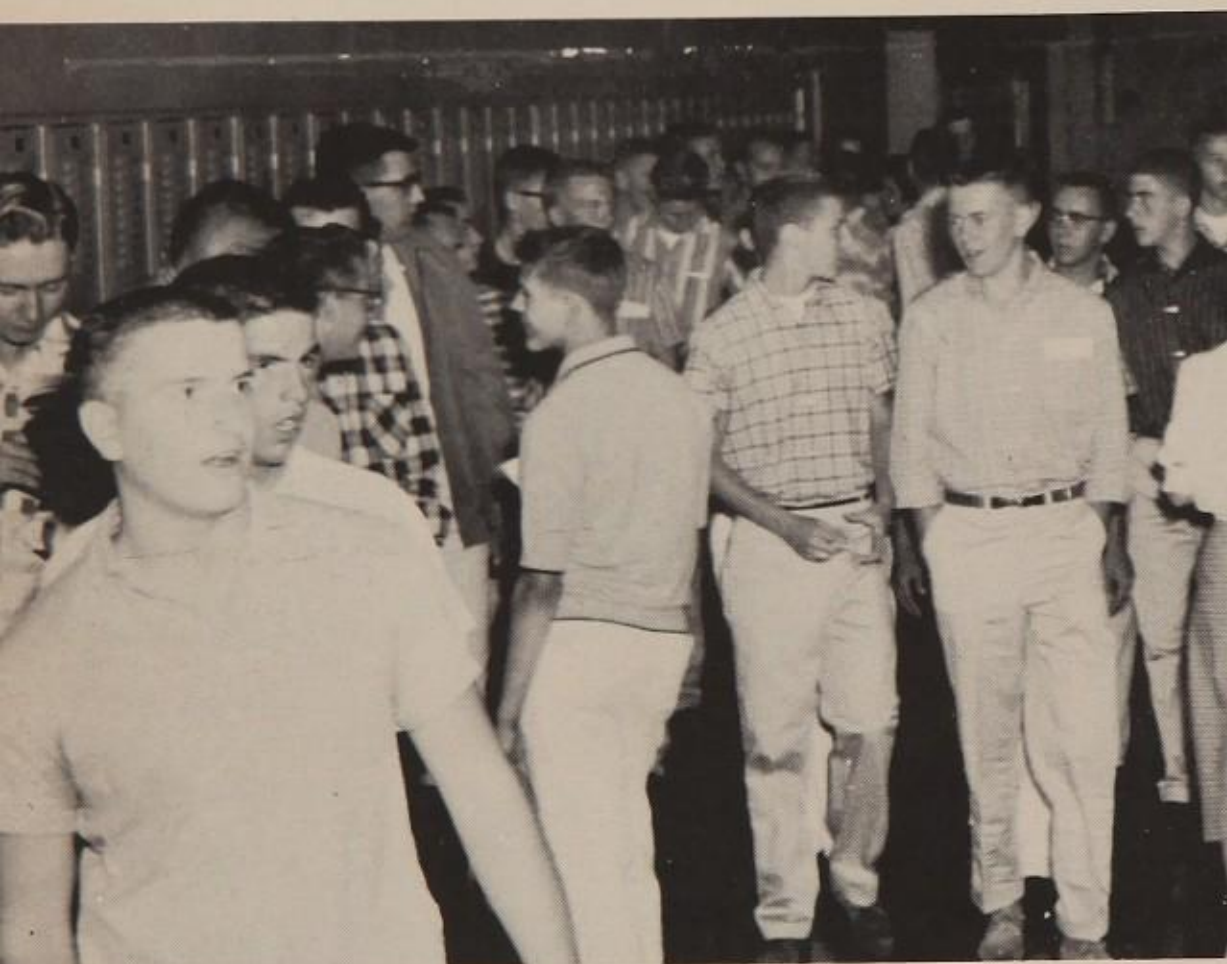

HELLO WEEK

"the annual mad scramble"

Students register for another year.

The crew returns!

Hello Week tags were sold to the student body.

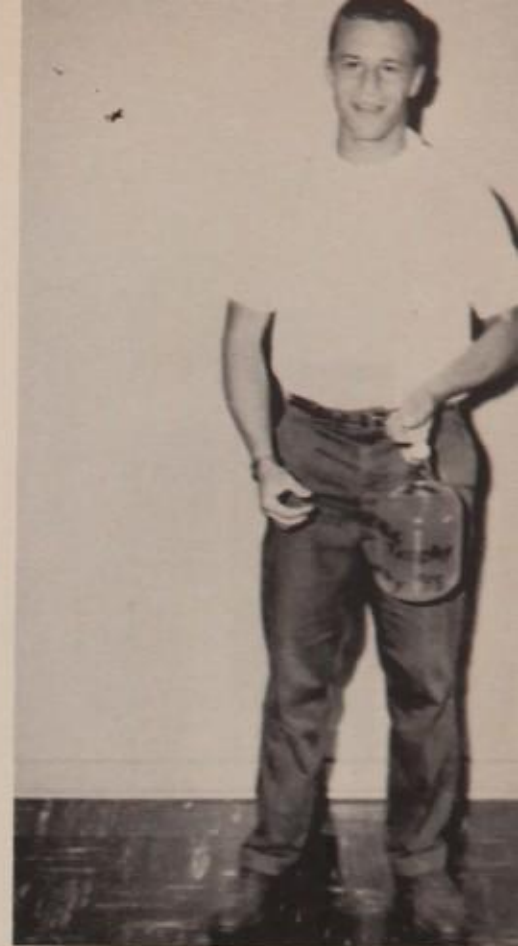

September 9th . . . students, 1,797 of them, came to register. Crowds of confused sophomores all over the halls . . . students getting acquainted again after the long vacation. . . eager students pushing in the registration lines in order to finish early. . . all 'never to forget' experiences of the Axemen's HELLO WEEK.

The events of the week included the annual Bikethon (won by the seniors, incidentally), the selection of Jane Ch'en and Gary Wolfe as the friendliest girl and boy, the sale of HELLO WEEK tags, and the HELLO WEEK assembly.

Though the football game in Beaverton held special interest for some, our cafeteria was filled with students attending the HELLO WEEK dance. It was a great week for all!

The class of '58 wins again.

South Eugene's first Homecoming established a tradition

October 19 was a day for celebrating, talking to old friends, or for just reminiscing old high school years. This was REUNION AT HOMECOMING.

This much-awaited event began with the registration of the past graduates of EHS and UHS. Seven hundred and thirty-five alums registered.

After an excellent luncheon, the REUNION AT HOMECOMING assembly was presented. An ancient film, produced in 1930, showing typical life at EHS, highlighted the program. An old-time style show also was presented.

All homecomings must have parades. This one was no exception. The student body float carried the lovely homecoming princesses. Other floats carried everything from a preview of Mrs. McThing to Service Club members in cars of pre 20's vintage.

The grand day was capped off by a sharp football game against Hudson's Bay (Vancouver, Wash.). Just before the play started, the Homecoming Court was presented and the queen announced. Sandy Cook was elected to reign. Princesses were Julie Hampton, Jane Ch'en, Sandy Stuart and Leslie Lee.

After REUNION AT HOMECOMING was all over, one could only say that it was an unforgettable day, and be so right!

This makes you appreciate the ivy league look?

Malcolm crowns Queen Sandra I.

Shouldn't this be car of the month?

Senior boys cheer on loyal rooters.

Dis is der plan!

School Delighted by MRS. McTHING

Actresses ready themselves for opening night.

Mrs. McThing, a delightful story with a fantastic plot, was presented as our first school play of the year. This unique story centered around a rich boy who, by the word of a witch (Mrs. McThing), was cast into a foul neighborhood. He became a member of the Shantyland Pool Hall mob. The mob consisted of three soft hoodlums. His mother soon suffered the same fate. Eventually the two, plus the mob, were able to return to their home, Larue Manor. The little daughter of Mrs. McThing talked her mother into letting them return.

One can never forget the scenes in the pool hall when Poison Eddie's mother stampeded through the place, or when Ellsworth played jazz on his imaginary piano. The play, although plagued by flu casualties, certainly exceeded all expectations and was a great success.

Grand finale!

All's well that ends well.

Charley Warren receives the Simmons Cup for outstanding football ability.

Are you sure she's balanced?

Senior girls stuff themselves!

Senior girls serve punch at the Senior Dance.

Seniors are entertained at the Senior Dance.

Merry Christmas!

All is bright!

Students' attention is held by carolers.

Christmas Assembly

On the last Friday before Christmas vacation, the students of South Eugene High have their annual Christmas Assembly. This year the assembly was the same as the previous year. The assembly opened as the Purple Pipers came caroling down the aisle. The next part of the assembly was a flash-back of two Christmas stories. The first story told of a little girl writing a letter to the editor of the New York Times. The girl has heard that there was no such a thing as Santa Claus, and she thought if the editor said there was a Santa Claus it must certainly be true. The next skit told of the creation of the song, "Silent Night." The assembly continued with singing by the Girls Choir, and the A Cappella Choir. The assembly was concluded with the old graduates coming on stage to sing the Hallelujah Chorus with the A Cappella.

Jeanne Tyack and Kay Perry hold winning doll.

Jeanne Tyack, general chairman, admires dolls.

South Eugene High's annual Doernbecher Tea was an unusual success this year, with emphasis put on attendance. Many mothers of both boys and girls and teachers here at S.E.H.S. were present. As general chairman, Jeanne Tyack did an especially fine job in this respect. Although there was a shortage of dolls, the general feeling was that the tea was a huge success. This is partly due to the elation of the seniors on winning class display under the chairmanship of Linda Lee and Margaret Cross, and to the winning of the most elaborate doll for the third year in a row by Kay Perry and Jeanne Tyack.

Many mothers and daughters enjoy the entertainment.

Seniors have winning display.

The cast takes final bow

Suspense Created by "ANGEL STREET"

The intense drama, ANGEL STREET, was presented as the second offering from the drama department. The play told of a psychopathic killer who attempted to drive his wife insane. After several harrowing experiences, the killer finally was apprehended.

The play was a great success and was made possible through the hard work of many people. Both the cast and the director put in long hours. Prominent members of the cast were Fred Crafts, Claire Daggett, Ron Hawley, Barbara Janzig and Diane Childress. Ed Ragozino directed ANGEL STREET.

Queen Kay Perry received the crown for the senior class.

Teens Against Polio Drive Was a Large Success

Each year Eugene High dedicates two weeks to the raising of money for the Teens Against Polio drive. This drive pits the sophomores, juniors and seniors in competition against each other.

The princess of the winning class would become Queen of Hearts. The princesses were Ernestine McCulloch, sophomore; Marcia Bishop, junior; and Kay Perry, senior. Each class had many different activities in order to raise money and win. Some of these activities were car washes, chili feeds and spudnut sales.

The seniors emerged victors and Kay became queen. When all the money was counted, it was found that the school had accumulated about \$1200 or 60 cents per student.

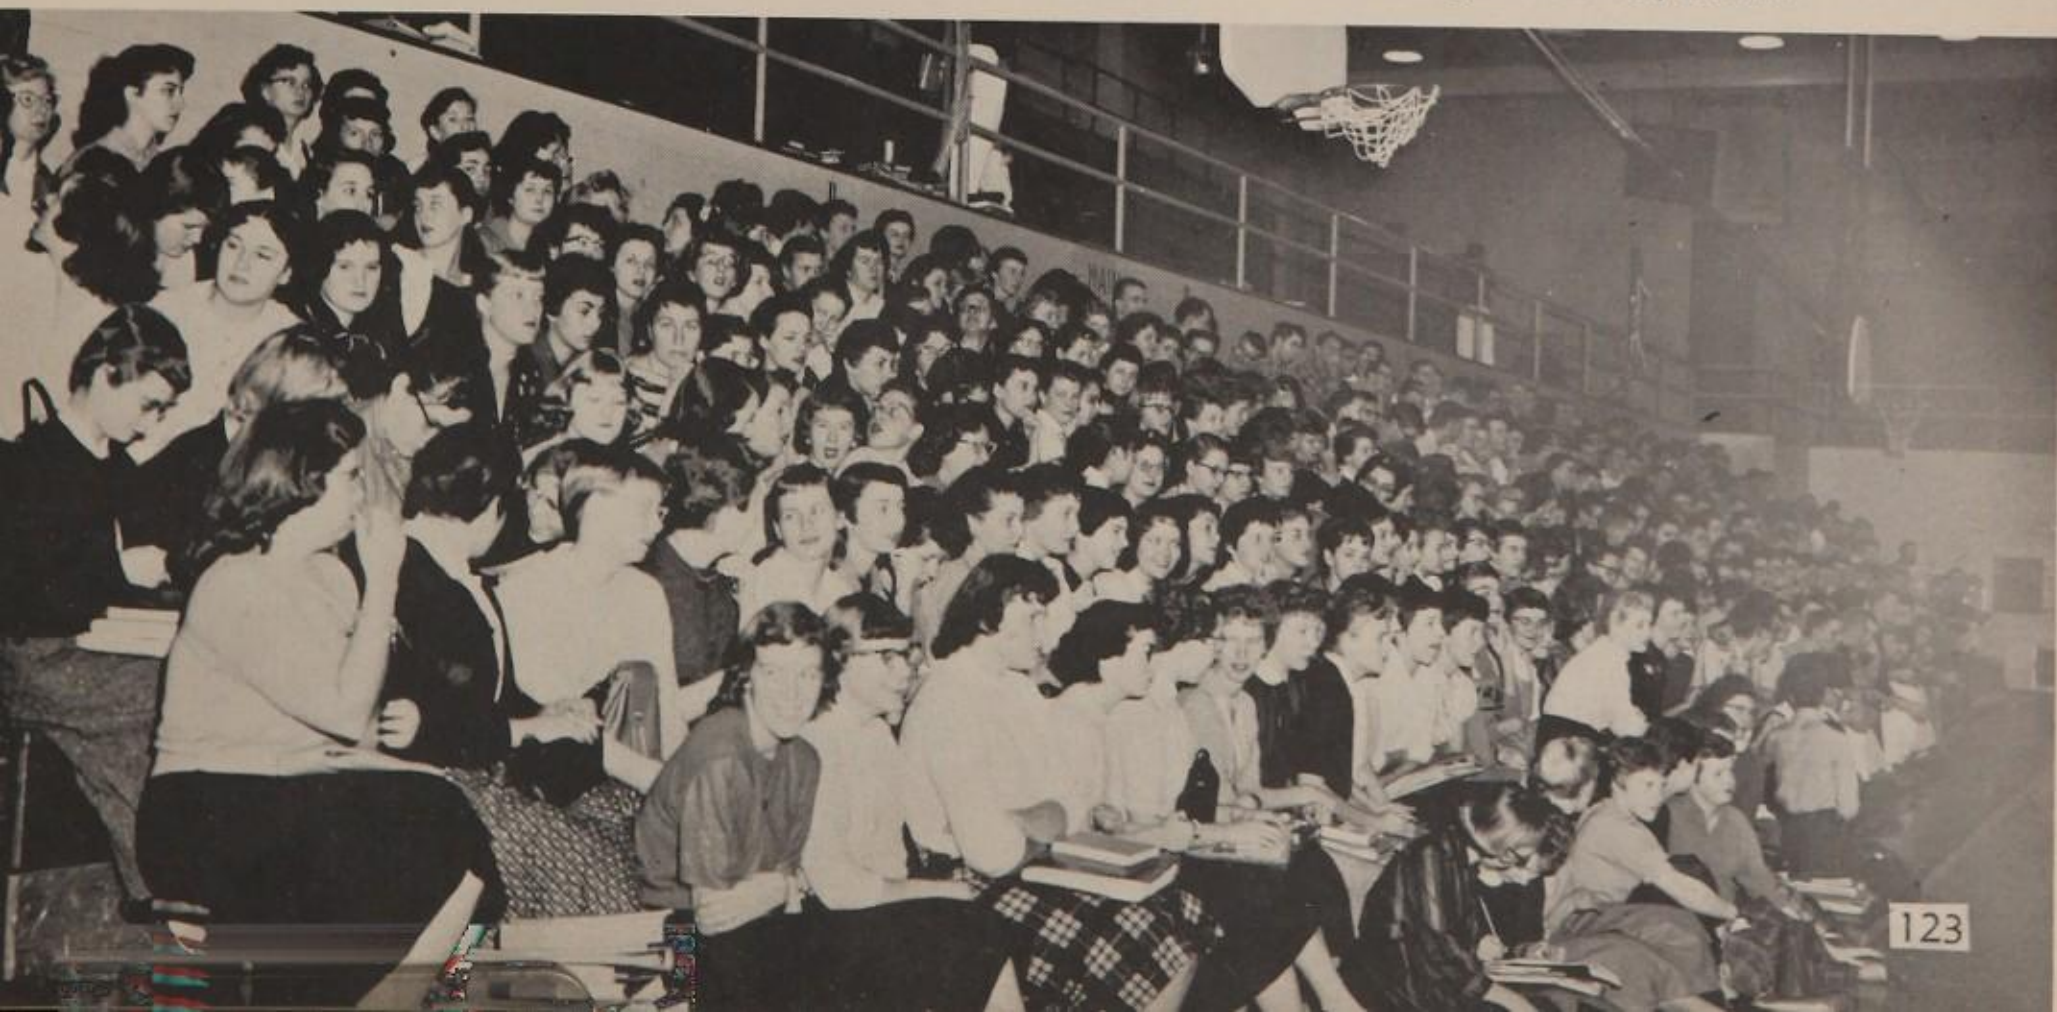

Many juniors attend the chili feed.

Stairway to the Stars theme for the Print and Cord Week Dance.

This year the Axemen's Council and Girls' League sponsored Print and Cord Week jointly with Be-Up, Clean-Up Week, which ushered in spring life at SEHS. The week began with the loudest shirt and prettiest dress contest. Tuesday was matching couple day and locker clean-out.

The week concluded with a bang on Friday.

During both lunch hours the three classes battled it out on the blacktop in tug-of-war competition. On second lunch the juniors completely overwhelmed the seniors three different times. In the afternoon the Girls' League presented its annual Spring fashion show. Eugene students modeled striking spring clothes from Eugene stores. The week was completed with the Print and Cord dance. Spring has now been officially welcomed to SEHS.

Loyd's Boys Really Roll

Mr. Amick, football coach

Eugene Football Season Is Off to a Good Start

Almost 200 boys were met September 1st by Loyd Amick and his very capable staff of coaches. This was the beginning of football practice. This week was mostly devoted to fundamentals, but it was also in preparation for the Beaverton game, which we won, 21-7.

Loyd Amick, commonly known as Loyd; did a wonderful job with a team that was highly underrated at the beginning of the season. Eugene, after being rated fourth in the district in the pre-season poll, was rated first in the state three weeks in a row.

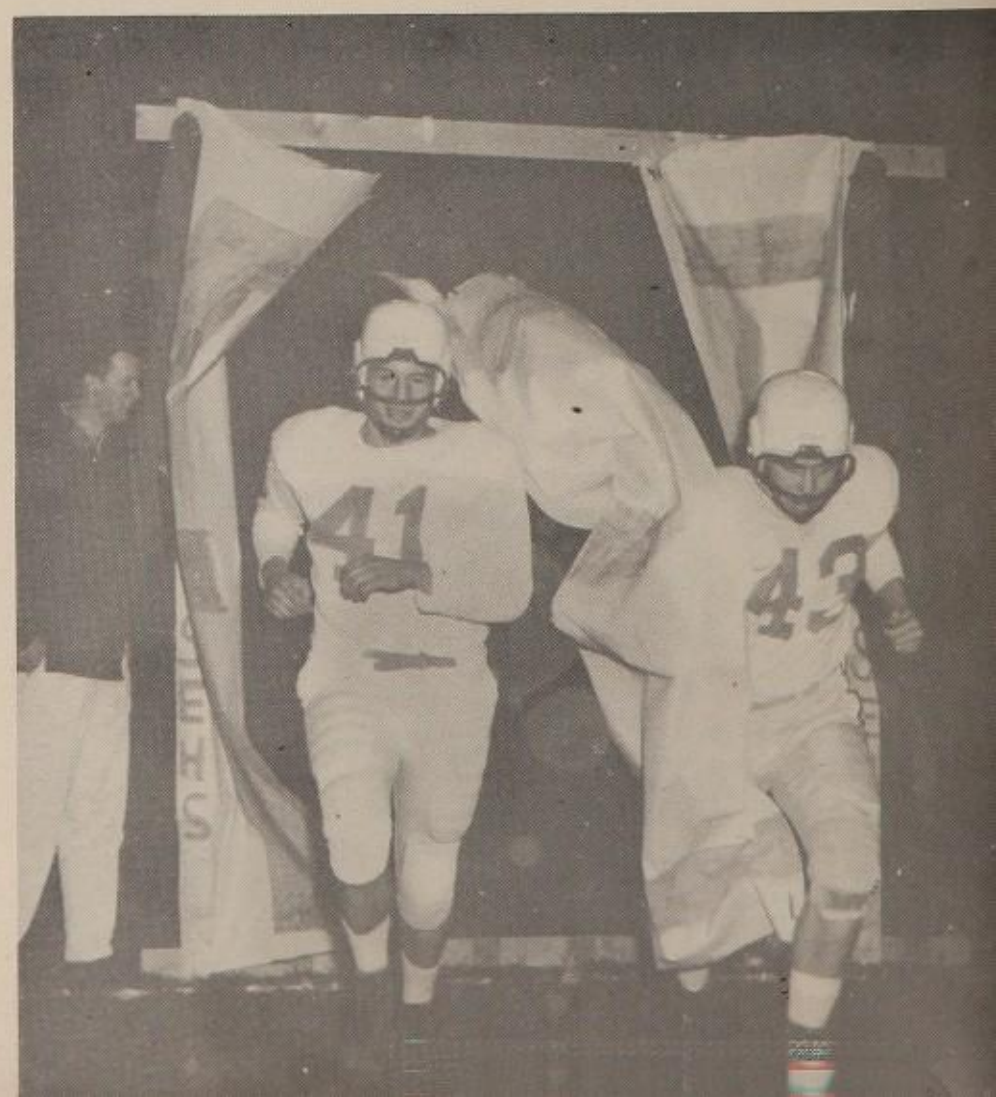

Axemen Stymie Beavers

The Axemen started the season right by defeating Beaverton. This was not only the first victory of the season, but the first victory for South Eugene High School.

The Axemen got in the scoring column when Charlie Warren passed to Johnny Polhemus with 10 seconds left in the half. In the second half, Larr Campbell fell on a fumble and three plays later Ray Allen went over for the touchdown. In three plays Allen picked up all 26 yards for the TD. A great catch by Greg Willener set the Axemen on the seven-yard line and three plays later Warren went over for our third touchdown.

Axemen Smear Klamath Falls

The Axemen kept the ball rolling by mauling Klamath Falls 33 to 13.

With only five minutes of the game gone, the Axemen got in the scoring column with a Warren pass to Polhemus. At the end of the half, Neut Senn passed to Polhemus for the second TD. Again the Axemen hit pay dirt on a pass from Warren to Senn.

Almost before the second half had really begun, Grunt Guthrie picked up a fumble and ran to the ten-yard line. Three plays later Senn took a pitchout and went for the touchdown. In the fourth quarter, Greg Willener hauled in a Warren pass and then ran 25 yards for the last touchdown.

SEHS Tramples North Bend

The Axemen smashed North Bend 43-12 to chalk up their eighth straight win. The first six times the Axemen had possession of the ball, five TD's and one field goal were scored. In the first quarter Tom Bryant, Johnny Polhemus and Greg Willener ran for touchdowns. SEHS scored two touchdowns in the second quarter: one by Bryant and the other by Polhemus. Rich Cerkoney then kicked a field goal. It was the first field goal in the athletic history of our school. The last touchdown of the game was scored by Larr Campbell. This was a great offensive game for the Axemen.

Axemen Edge Lions

The Axemen scored six touchdowns in trimming Cottage Grove 41-0. When Larry Senn ran the kickoff 64 yards to the Lion 29-yard line, he gave the crowd a sample of the rest of the game. Three plays later Charlie Warren threw to Johnny Polhemus for the first Axemen touchdown. After an exchange of fumbles, SEHS marched 32 yards to the Lion one yard line. Warren went for the second TD. In the second quarter Greg Willener smeared the Lion quarterback for a safety. Six seconds remained in the first half when Warren hit Senn for the third TD.

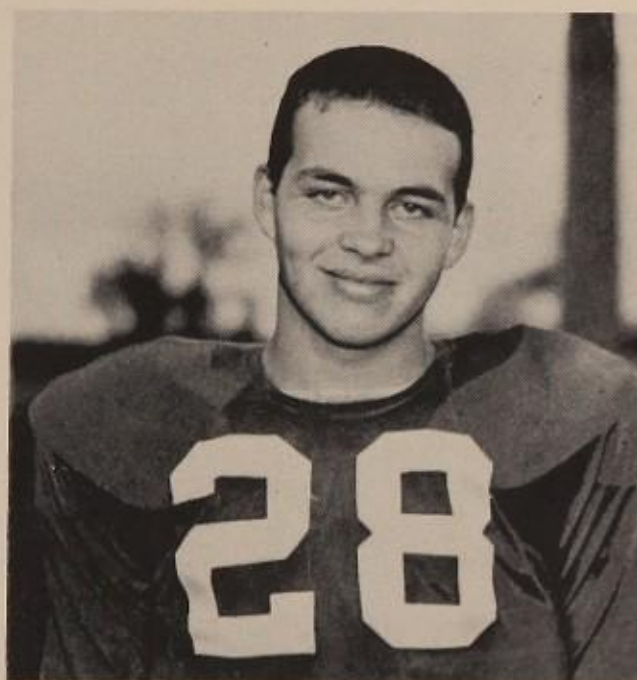

In the third quarter Cerkoney took a Lion punt and ran 49 yards for another score. As the third quarter ended, Tom Bryant went three yards for the fifth touchdown. The last TD came when Kit Miller ran 42 yards to score. It was an easy victory.

Eugene Nips Roseburg

Eugene won their fourth game of the season by defeating Roseburg 20-0 in a penalty-ridden game. In the second quarter Gary Powell fell on a fumble on the Indian 38-yard line. Warren set up the TD by throwing a 17-yard pass to Larry Senn and then by tossing to Johnny Polhemus for the score.

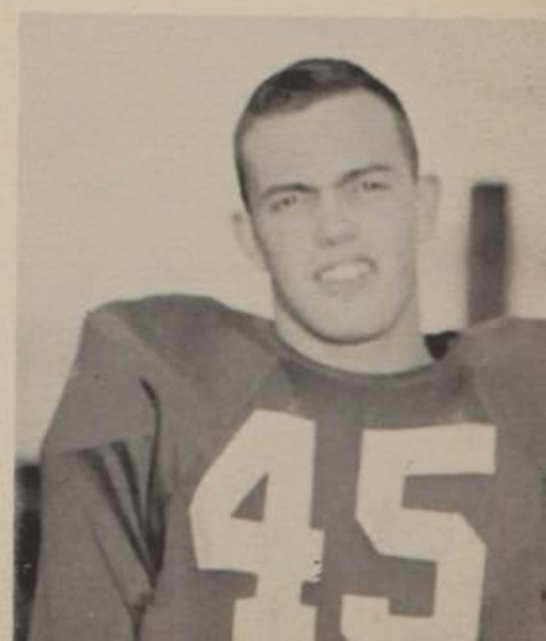

In the third quarter the Axemen drove 60 yards to the Indian 15 even though Ref. Bi (Eagle Eyes) Borchers walked off 85 yards of penalties against them.

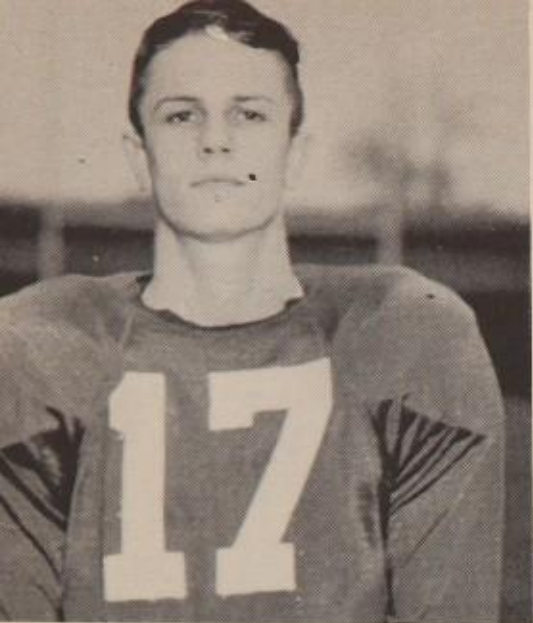

In the fourth quarter Rick Cerkoney fell on a Roseburg fumble, setting up Charles Wilson to go on over for the touchdown. Cerkoney then kicked his second P.A.T. of the evening. Two minutes after the second TD, Polhemus held the crowd spell-bound by running 55 yards for the third touchdown. Even though Roseburg had a good offense, the Axemen's defense held them scoreless.

Axemen Whip Eagles

The Axemen beat Hudson's Bay of Vancouver 27-13 as they showed off their running attack.

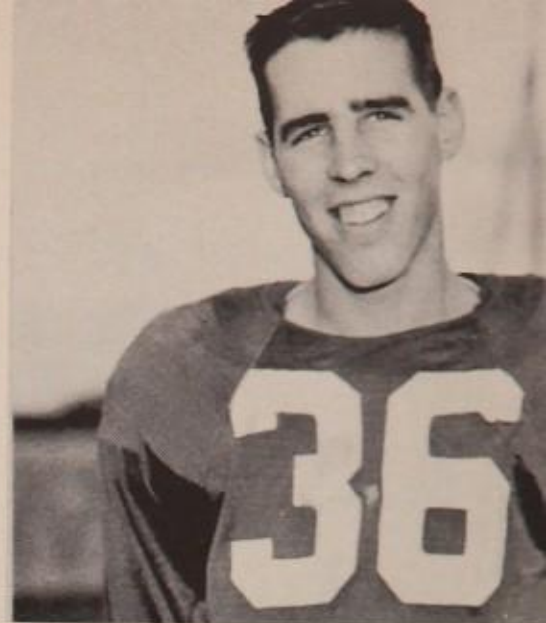

In the first quarter Charlie Warren sneaked over from the two, climaxing a great running display by the Axemen. With two minutes of the third quarter gone, Larry Senn broke loose off left guard and ran 17 yards for the second TD. At the end of the third quarter Warren passed to Greg Willener for the third score. Hudson's Bay also scored in this quarter. Larr Campbell broke loose on the Axemen's 31 and rambled 69 yards for the last TD. The game climaxed a terrific homecoming.

Hands off! That's an Axeman!

This was really a battle.

Axemen Cool Pirates

The Axemen snapped Marshfield's 40-game winning streak by defeating them 9-0. The first half was dominated by the Axemen's great defense, sparked by Rich Cerkoney. Twice Marshfield was in scoring position, but both times the Axemen's defense tightened up. In the last few minutes of the second quarter, Johnny Polhemus tackled Marshfield's Gary Rossi in the end zone for the only score of the half.

In the third quarter the Axemen scored when Warren threw a two-yard pass to Polhemus, who was all alone in the end zone. The rest of the game was mostly defensive. The game ended as Charlie Wilson intercepted a Marshfield pass and ran 31 yards to the nine yard line. This was a very hard-fought game and was certainly a fine team victory.

Axemen Bounce Bulldogs

The mighty Eugene Axemen stretched their winning streak to five by rolling over flu-ridden Albany. The score, more impressive than the actual game, was 28-0.

Eugene's first score came on a 31-yard pass from Charlie Warren to Johnny Polhemus. This was early in the first quarter. The second TD came when a Warren pass found Greg Willener standing alone in the end zone.

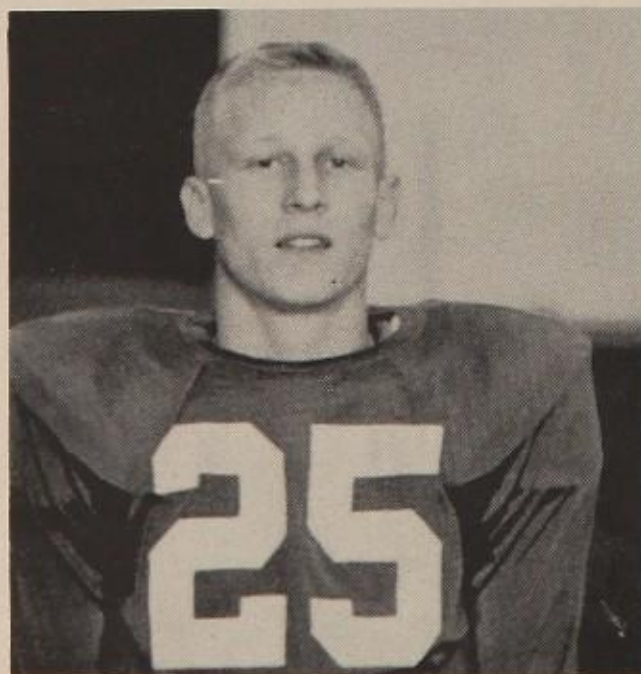

The Axemen marched 73 yards in nine plays to score the third TD. Larr Campbell carried the ball on the final play. In the fourth quarter, Polhemus, playing a sharp game, slipped nine yards to make the score 28-0.

Axemen Stunned by Millers

Friday, November 8th found the SEHS student body and team in high hopes of going to the state championships. Then came the game with rival Springfield. All the fondest hopes were shattered by the final score: Millers 27, Axemen 13.

Springfield started their winning ways by making quick first quarter touchdown. Another Miller TD followed. The Axemen countered with two touchdowns but failed to make a conversion. At halftime the score was 14-13.

Springfield, by capitalizing on Eugene errors, dominated the second half by scoring two more touchdowns.

It was a decisive victory for Springfield. After this heart-reaker one could only say, "that's life."

Mr. Kane

Although the Junior Varsity team's win-loss record is not impressive, they proved themselves able material for next year on the varsity. This year's team consisted of both Sophomores and Juniors.

The Junior Varsity season started with a 7-0 victory over Beaverton. The Junior Varsity also played Roseburg, Albany, Cottage Grove and Springfield.

The Junior Varsity had a very tough schedule. Both the coach, Mr. Kane, and all the players should be congratulated on their fine efforts.

Mr. Williams

They may be too green to burn, but they sure can play.

One of the highlights of the sophomore season was the first game with North Eugene High School. Our team won, 27-7. Although played on the sophomore level, this fine game marked the start of a lasting tradition.

The team was divided into two squads, the "A" squad and the "B" squad. The "A" squad played in J.V. games besides their own schedule of three games. Their soph record was 2 wins, 1 loss. The "B" team played five games, winning 2 and losing 3. These teams were ably coached by Mr. Brenneman and Mr. Williams.

Although not a well known sport, cross country at SEHS is gaining in popularity. The cross country team, coached by Hank Kuchera, won six out of eight meets this year. They placed eighth in the state finals.

Captained by Bob Scott, the team went to meets at Cottage Grove, Springfield, Willamette, South Salem, and Albany.

Eugene holds the ball higher than Franklin!

Eugene Is Off to a Good Start

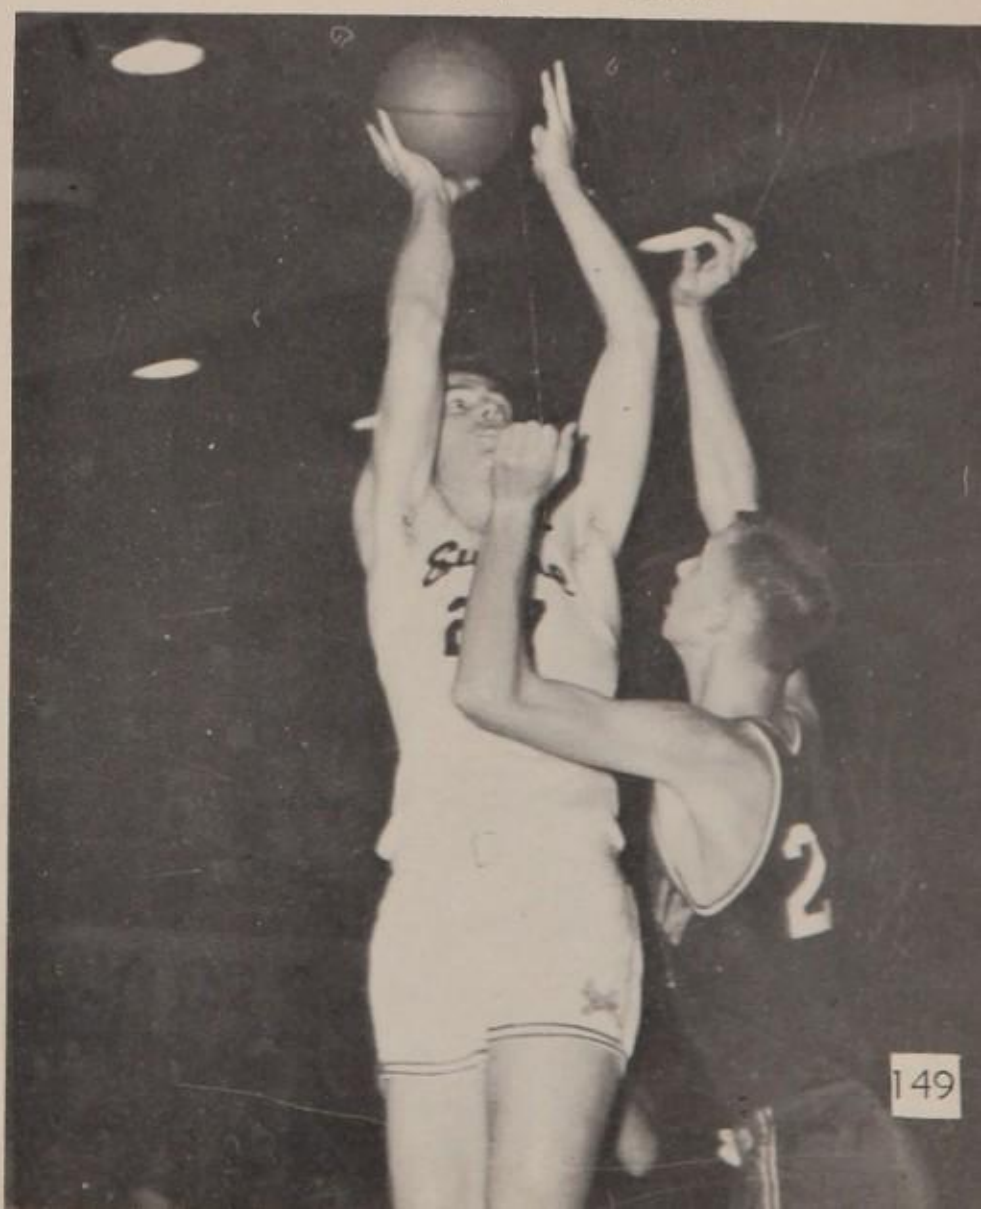

The Axemen, showing their potential, ran over Franklin 61-32. In the first quarter, the game was very close, but once rolling, the Axemen broadened their lead. The first half not only showed how the team could work together, it also showed everyone that Charlie Warren was going to start where he left off last season. Charlie scored 24 points in the first half. In the second half Kuch pulled out all of his starters and played the rest of the team. Even though the whole team looked good, there were a few stars. Besides Warren, who scored 31 points, Johnny Polhemus, Tom Jones and Neil Goldschmidt looked great. The Secret Weapon wasn't put in until the last psychological moment of the fourth quarter.

The second game of the season proved much more exciting than the first game with Franklin. After the first few minutes the Saxons started to match the Axemen, point for point. The Saxons' Dan Moore looked very good during the first half.

In the third quarter, the game looked exactly like the first half, with South Salem continuing to lead Eugene. In the fourth quarter the Axemen pulled away not to be led again. There were many stars for the Axemen. Besides Warren scoring 31 points, Polhemus and Willener played terrific ball during the game. The Secret Weapon didn't get in until the fourth period.

Axemen Throttle Engineers

The men from Benson Tech have been given rough treatment in the two games played against Eugene High. In Portland, the Axemen completely outclassed the Engineers, turning in a 92 to 63 score. On December 20, in Eugene, the Benson team was again royally defeated by the sharp Axemen.

The Axemen, after being behind in the opening moments of the contest, established a 27-12 lead. The score at halftime was 30 to 20.

Eugene was never really threatened by Benson. SEHS out-scored the Engineers 21 to 8 in the third period. Charley Warren was high scorer with 34 points. The contest ended with the score Eugene 61, Benson 47.

Beaverton Smeared

A sharp-looking and tough Beaverton team went down to defeat against an impressive South Eugene team led by all-stater Charley Warren, in a non-league tilt. The win made it six in a row for Coach Hank Kuchera's Axemen as Warren hit 43 points. For a while during the first half the game was quite close but Eugene pulled away in the second half. Both teams hit very well. Eugene hit .373 and Beaverton .396.

Albany Bounced by Axemen

The Axemen won their 12th game of the season by defeating Albany, 74-33. The Axemen started the game with three quick buckets. This kind of scoring was to continue throughout the entire game. During the first half Kuch substituted very freely. By half-time Eugene was ahead by 20 points.

The second half was an exact duplicate of the first half. Eugene made baskets continuously while Albany couldn't hit anything. Because Charlie Warren had a bad back, he didn't play as usual. However, he did manage to score 23 points. This game showed that Eugene had more than a one-man ball club with John Polhemus, Neil Goldschmidt, Rich Cerkoney, Tom Jones, and Charles Wilson playing mighty good ball.

Cottage Grove Scrunched

The Axemen beat Cottage Grove by the largest margin ever recorded between the two schools, 60-21.

The first quarter started as any regular game with both teams matching each other for baskets. By the start of the second quarter, Eugene had a commanding lead. As the first half ended Eugene was already the winner.

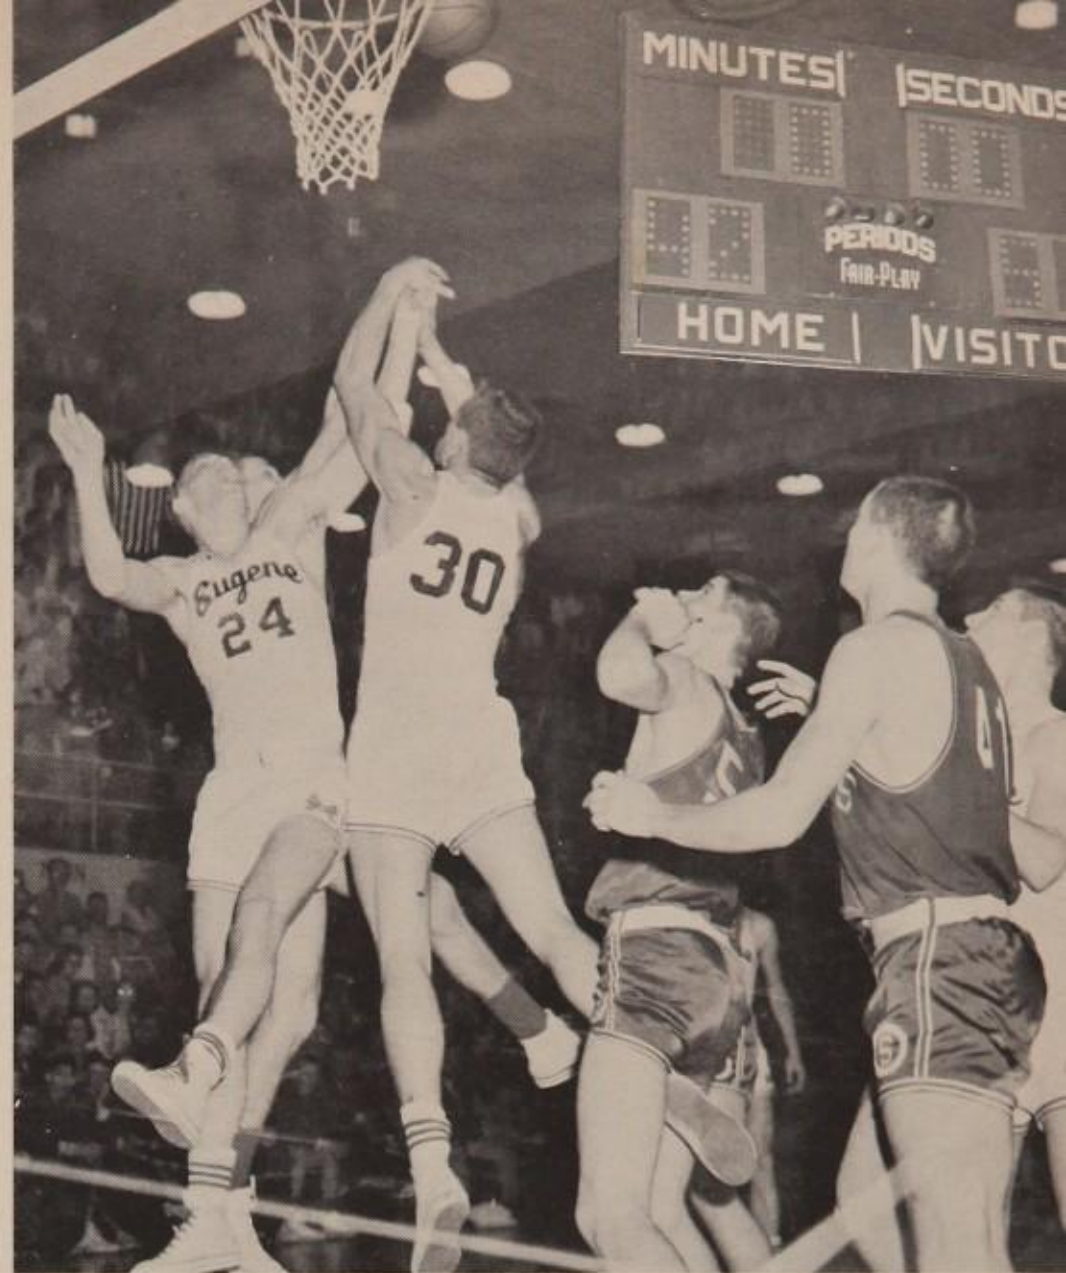

All throughout the game Kuch substituted very freely. The second half showed that Eugene was not going to let up on defense. Eugene kept pouring in the points while holding the Lions to a meager eight points. The whole team, paced by Greg Willener, looked very good. The only person who didn't play was Charlie Warren. He sat on the bench because he had a pulled muscle in his back.

Springfield Drops Axemen

The Axemen absorbed their third loss of the season at the hands of a good Springfield team. The score was 51-42. The first quarter showed very tight ball control. At the end of the quarter the score was five to three. The second quarter was like the first, with the halftime score 17-13, in favor of Springfield. In the second half Springfield pulled away. At one time they were ahead by 19 points. In the fourth quarter Eugene fought back and lost by only nine points. The Axemen, who played without Charlie Warren, had a terrible shooting percentage. The Axemen shot .187. Even though the percentage was low, Neil Goldschmidt and John Polhemus did score 12 and 11 points respectively.

Axemen Slam Indians

The Axemen got revenge on Roseburg by defeating them, 49-30. This game was awaited with great anticipation by both the team and the student body. Eugene started the game by pouring in many baskets as well as keeping up a stiff defense. At the end of the first quarter Eugene was leading Roseburg by the score of 18-3. During the second quarter Roseburg started to score and when the half ended the score was Eugene 26, Roseburg 16. During the second half Eugene steadily pulled away from Roseburg. By the end of the third quarter Eugene was far ahead. Although the Axemen were hindered slightly by the absence of Charlie Warren, they played one of their best games. The team showed the student body that they had gained the confidence lost when Warren was injured.

The Axemen got revenge on North Bend by defeating them, 59-46. North Bend started the game with a bang by putting in three quick buckets. After this Eugene put on a tight defense and started scoring. Throughout the first half the game was very close. In the second half Eugene started to pull away with fine shooting by Neil Goldschmidt, Tom Jones, and Charlie Warren. By the end of the game Eugene had widened its lead to 13 points. This game was a wonderful team victory. Many players performed very well. Besides Goldschmidt, Warren and Jones, Rich Cerkoney, Charles Wilson and John Polhemus played fine ball.

Charlie Warren, back in his old form, paced Eugene to a 63-57 victory over Marshfield. The game was very close with the largest lead, seven points, occurring with five minutes left in the game. At this point the Pirates got hot and reduced the lead to one point with only one minute of play remaining. Warren,

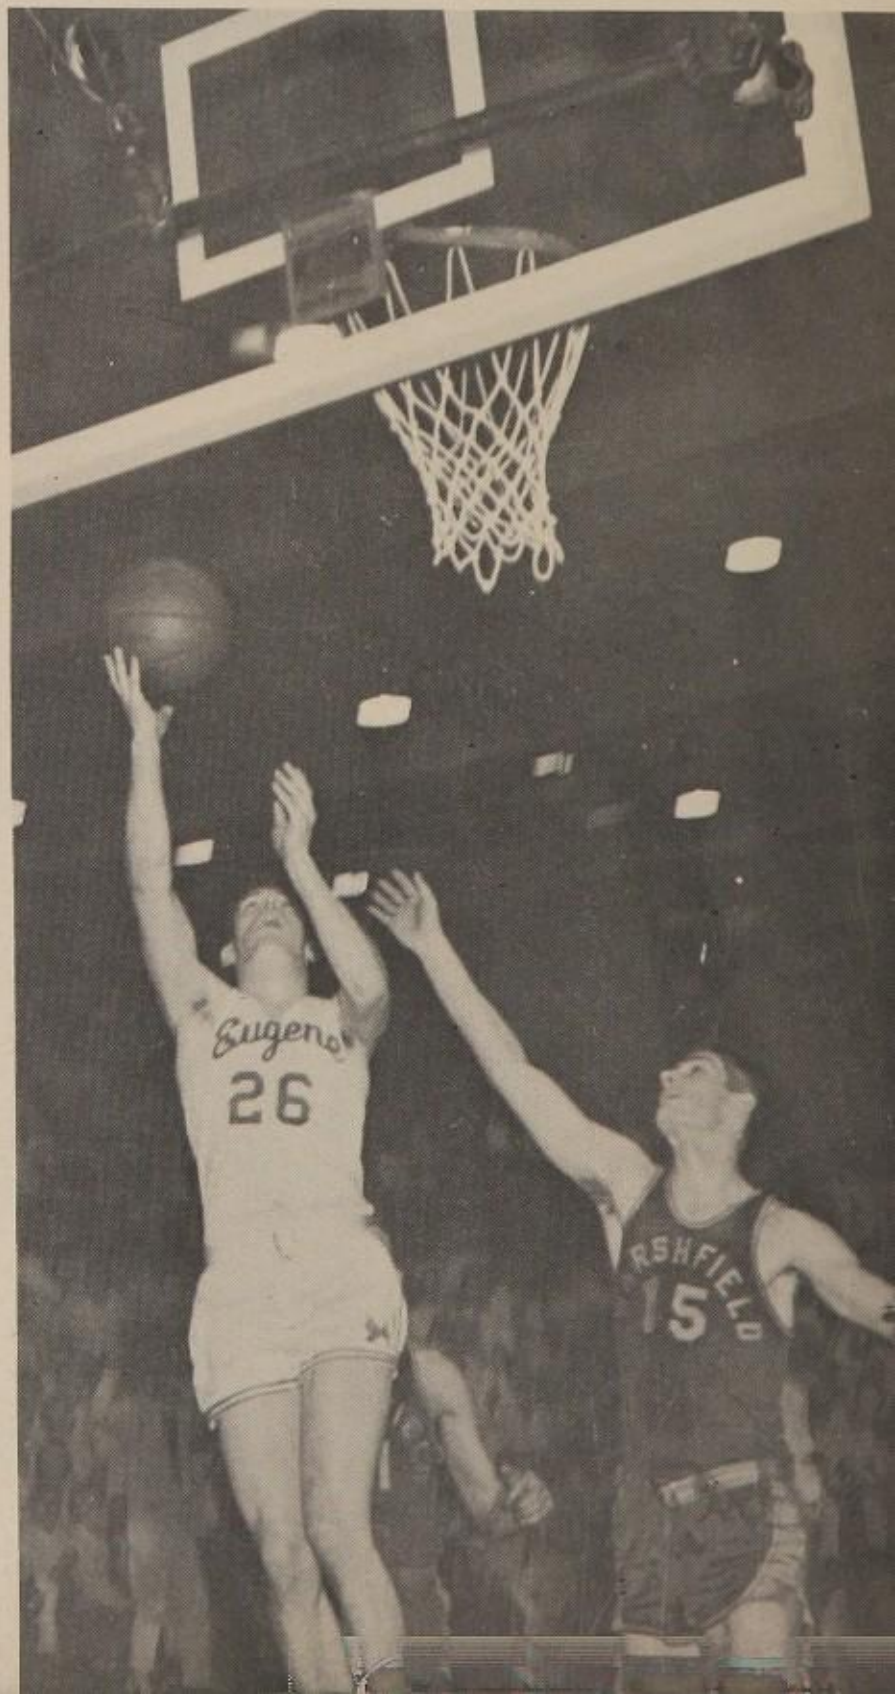

then caught a perfect pass from Willener and iced the game.

The Axemen played their customary fine game but Charlie Warren was truly a stand-out. He proved his back was okay by scoring 29 points and bringing down many rebounds.

Axemen Miss Tournament by Two Points

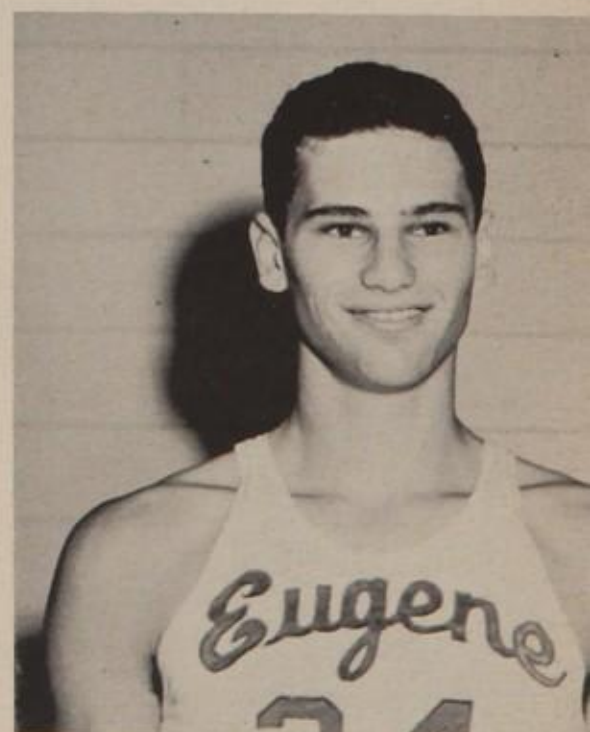

The Axemen lost a game and a tournament berth by losing to Springfield. The score was 45-43. A capacity crowd saw Springfield, led by Wally Knecht, play one of its best games to overpower the Axemen. This was a much improved Springfield team than the one that lost to Willamette (A-2) earlier in the season.

The first half was very close, even though Eugene was not given the benefit of the doubt on some foul calls. At half-time Eugene was ahead by five points. The second half was nip and tuck until Warren and Jones fouled out. After that Springfield began to overtake Eugene. In the last few minutes Eugene tried valiantly to win, but the Millers managed to hold onto their slim lead.

Although the Axemen did not play their best game, some players did very well. Tom Jones fouled out with 15 points, as did Charlie Warren with 13 points.

Springfield will be in the tournament for the first time in 10 years, while Eugene has gone 12 times in the last 15 years. The fact that the Axemen wouldn't be in the tournament was still a bitter pill to take.

It's Eugene's ball again.

Junior Varsity Basketball

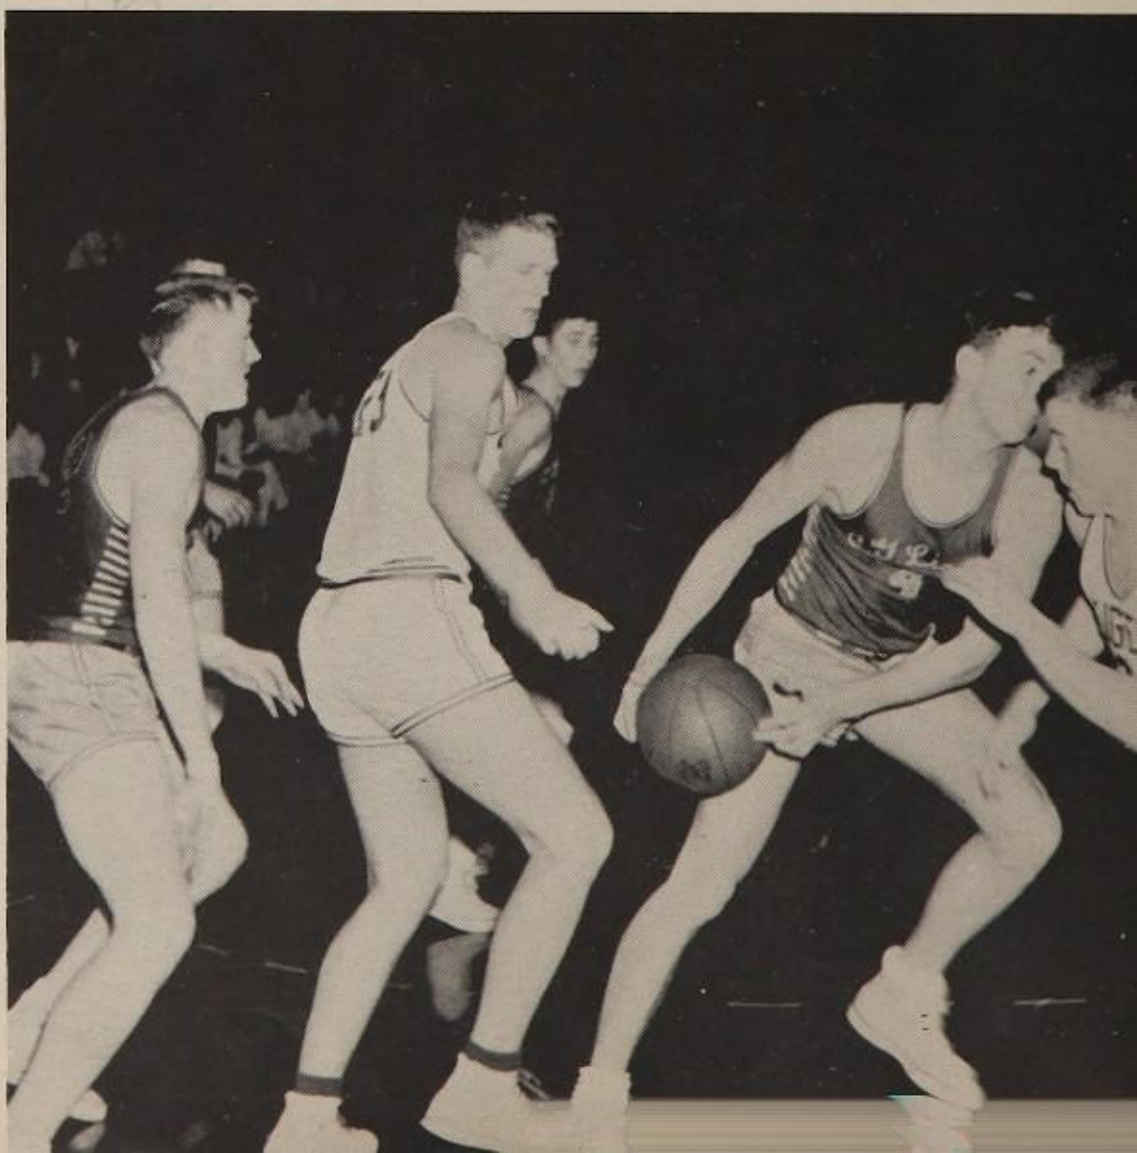

This year's J.V. team compiled a fine record of 16 wins and 3 losses. This team's main function is to give sophomores and juniors training and experience to ready them for the varsity the following year. This job of teaching is given to Duane Mellum. Each year Mr. Mellum shows how proficient he is at teaching by developing many good players. This year's team won many games by big and small margins. They defeated Frank-

lin by the score of 35 to 34, downed Springfield, 53 to 37. There were several outstanding players on the squad, among them Wally Larson, Dan O'Connell, Sandy Nosler, John Reed, John Buffington and Robin Miller. Due to their exceptional play, Nosler, O'Connell and Larson played in some varsity games. This year's team was very good and it is hoped these players will step into the shoes left by this year's all-senior varsity team.

The sophomore squad, under the guidance of Coach Brenneman, began building for possible varsity competition with an 18 game schedule. The "greenies," led by Steve Dunc, Steve Kemler, Steve Hamaker, Prince Guske and A.D. Jacobson, improved greatly as the season advanced. After much practice in the girls' gym, they boasted a 7-11 record. The sophomores had thrills of their own, such as an overtime win over Cottage Grove, resulting from a last second long shot. They squeaked by Roseburg, 47-48, and massacred South Salem, 64-47, a game in which Hamaker scored 22 points.

Swimming Team

This year's swimming team came through with six wins and one loss. Mr. Oyama, the likable swimming coach, said this team was among the very best he had ever coached.

The team did a surprisingly good job considering the fact that many members were hit with the flu. They had seven meets; six with Oregon schools and one with a California school. The lone out-of-state school, Shasta Union High School, was defeated by the score of 45 to 44. During the whole season, the Axemen rolled up 487 points to 236 for their opponents.

The swimming team had many stars. Dick Moody and John Gale, the co-captains, placed third in the state in their respective events. Ron Hedding, Bob Cross and Jack Pratt also did very well throughout the season.

Wrestling Team

Don't choke him to death.

Although the grapplers started slowly they improved rapidly and had a very successful season. The season record ended at six wins and six losses. The team lost several matches by very small margins. They lost to Springfield by the score of 25 to 26, and lost to Roseburg by the same score. The contests were not all losses, however. They defeated North Bend 26 to 16, and Willamette 47 to 9. Eugene entered five people in the state tournament, but the only one to place was Tom Bryant, who took fourth in his weight class. This year's team had many sensational wrestlers. Some of the notables were Tom Bryant, Dan (Grunt) Guthrie, Larry Baxter and Bruce Glenn. Bryant won 13 and lost 1, and Guthrie won 10, lost 1, and tied 1.

Wrestling, now a major sport, is attracting more boys and interest than ever before, due to the excellent coaching of Mr. Williams.

Many newcomers and several seasoned veterans greeted our new track coach, Don Barnhart. For the first time, the cindermen can practice and hold track meets on their own track. Among the outstanding members of this year's team are Captain Larry Senn, Jack Calvin, Tom Bryant, Kit Miller and Cece Linder.

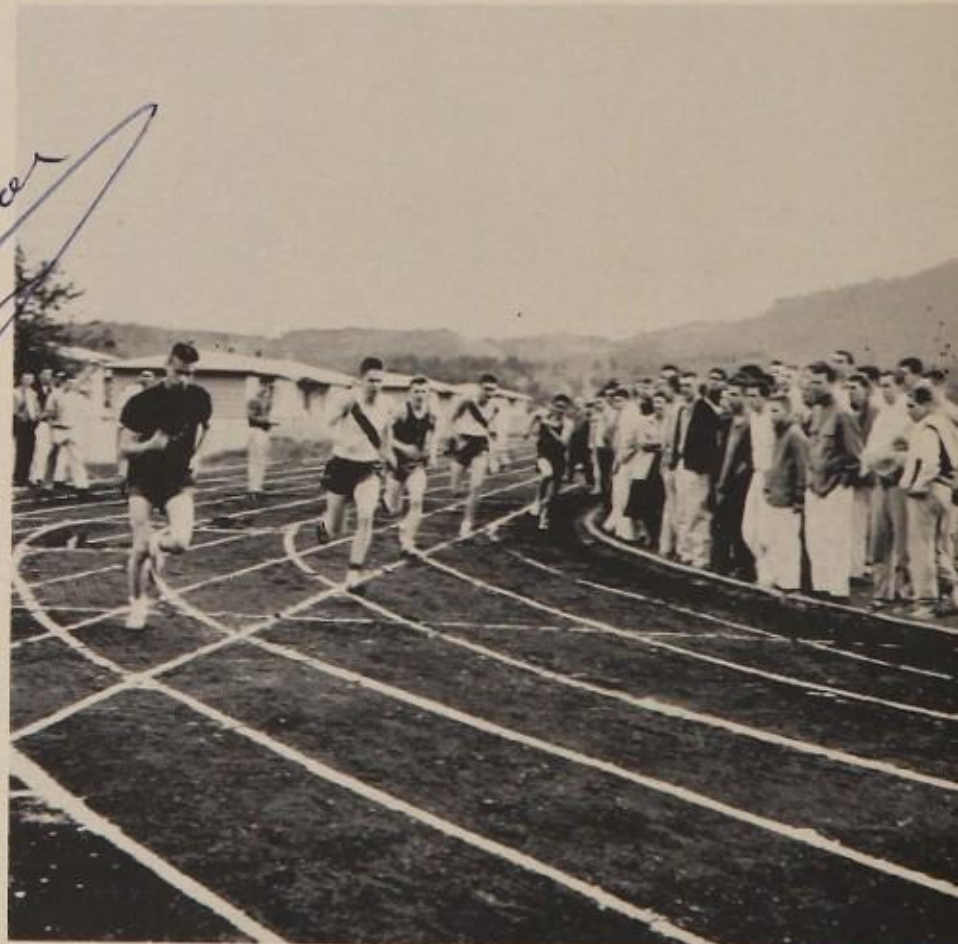

When this story went to press, the team had won its first meet. This meet was with K. Falls and Springfield. (The Axemen won it by 30 points.) Before the track season is over, the team should win many more track meets, for they certainly have the potential.

Tennis is fast becoming one of the most popular sports at SEHS. This year's team was comprised of three returning lettermen, a transfer from Grant, and many newcomers. The returning lettermen were Bruce Taylor, Stan Kambly and Harvey Quimby. At this writing the season was still early, but the combination of fine material and a new coach, Mr. Brenneman, provided a potential winning team.

Captain Jack Mattison, medalist in last year's state tournament; Larry Hirons and Pete Geertson should be the backbone of this year's team. At the time of this writing the squad had not yet participated in any matches but they have looked very good in practice. The Axemen should have a great year in golf.

The three two-year lettermen are John Polhemus, Charlie Warren and Captain Tom Jones. Students find many things to occupy their time besides classwork. During the week—any week—there are a great many club meetings which are all attended by interested members. With such a large number of clubs, there is certainly an opportunity for every student to join one which interests him. Whether it be F.E.A., M.M.M. or G.A.A., you'll find enthusiastic supporters who will tell you theirs is the best club.

There are also other activities such as instrumental and vocal music in which many people are interested. They serve not only to entertain the student body and other groups from time to time, but to also provide their participants with a sense of satisfaction and accomplishment with the knowledge that they are taking part in something which they like, and which is also worthwhile.

Debate Team

Never argue with a debater—from SEHS especially.

Advertisers make the Eugenean possible, and for this we are grateful. They are however, businessmen who have products and services to offer. Their support of this yearbook is made with the hope and assumption that it will be financially worthwhile to them. To the advertiser, we extend our thanks; to the student, we extend our desire that he will support the following local concerns and express his appreciation to them.

Hoody Beth. has this
